Central Station Monitoring

Central station monitoring offers peace of mind

Count on Checkpoint Central Station for ultra-reliable security dispatching and related services, whether you're securing a new facility or converting existing locations. Our experienced, fully trained operators are available 24 hours a day, seven days a week for our customers.

We offer extensive services tailored to the Financial Community. These include:

- 24-hour help desk for banking personnel
- Customized procedures to meet your needs
- Fast emergency police and fire dispatch
- Supervised branch openings and closings
- Fire alarm test reporting
- Keyholder changes
- Event logging
- Custom-designed user manuals

The Checkpoint Central Station meets strict standards for staff training, equipment reliability and back-up systems. It is:

- Equipped with multi-brand alarm receivers

PassPort Internet Reporting System

- On-line critical data retrieval from your PC
- Realtime reporting, no waiting for download periods to access today's information.
